Practical Benefits. Real Community.

In 1996, a handful of lawyers
persuaded the State Bar of Texas
to create an Animal Law Section.

Each year, the Section brings in
speakers from across Texas and
around the country to present on
a wide range of animal-law topics.
The Section's institute has earned
a national reputation as one of the
country's best animal law symposiums.

Our Section stands on the front line
of this fascinating and rapidly growing
area of law. Welcome to the Animal
Law Section of the State Bar of Texas.
